July 30, 2009

Sir:

Applicant has received a Notice of Non-Compliant Amendment dated July 10, 2009. That Notice, a copy of which is attached, indicated that a complete listing of all claims is not present, and/or the listing of claims does not include the text of all pending claims. Applicant submits, therefore, a corrected section of the "CLAIMS" section of the Amendment filed July 2, 2009 indicating the claim amendments filed, and a complete listing of the claims. The "CLAIMS" section has been corrected to indicate that claim 26 has been cancelled. Accordingly, Applicants submit that the listing of the claims is complete. Claims 1, 12, 15-18, 20-25 and 27-36 are currently pending in the application and respectfully submitted for consideration in view of the amendments and remarks submitted on July 2, 2009.

As noted in the Notice, this submission of a complete amendment to claims section is sufficient to cure the deficiency. It is therefore respectfully requested that the amendment submitted on July 2, 2009 be entered, and that timely consideration on the merits be given to this application.

In the event that there are any fees due with respect to this paper, please charge Counsel's Deposit Account 50-2222.

Respectfully submitted,
